MARRIED IN PARIS

Mr. Ross C. Owens and Miss Mary C. Peed wed at the home of the bride's sister in the Bourbon County Capitol.

The marriage of Mr. Ross C. Owens and Miss Mary C. Peed of this city was solemnized at the home of the bride's sister, Mrs. Albert G. Hinton at Paris, Ky., yesterday afternoon at 3:30 o'clock. The couple had been in Paris for several days, preparing for the ceremony.

Only the relatives and near friends of the contracting parties were present at the wedding. Rev. J. W. Porter of Lexington, was the officiating minister. Immediately following the ceremony Mrs. Hinton tendered the newlyweds a wedding supper. Later they left on a honeymoon trip to New Orleans and other points in the South. They will return to this city in about three weeks.

Miss Peed is a very charming and attractive young lady and is the daughter of Mrs. Joseph D. Peed of the Parker Flats on West Third street. Although she has only been in this city for a short time, having formerly lived in Mayslick, her friends have always found her to be very congenial and full of life and fun.

Mr. Owens for many years has been

connected with the firm of D. Hechinger & Co. as salesman and is a splendid gentleman. His long alliance with this old business house has made him a host of friends.

Messrs. Joe Calvert, Lisle Threlkeld, Dudley Quaintance, Douglas Newell and H. E. Pogue, Jr., of this city attended the wedding.

The Ledger joins with their many friends in wishing them a very happy and prosperous wedding life.

TRIAL POSTPONED

In Squire Fred W. Bauer's Court yesterday afternoon the case against Roy Glebs, chiropractor, for practicing health healing without securing a proper license, was postponed until this morning. The case will be tried before a jury, as requested by the defendant.

The case was set for yesterday afternoon but owing to the fact that one of the most important witnesses for the defendant was not present and his attorney asked for a postponement until today. Mr. J. K. Todd of Louisville, attorney for the State Board of Health, was present and urged that the trial be held at once.

Mr. and Mrs. J. E. Hunter of Paris, well known in this city and county, are spending the winter in Miami, Fla.

HARRY C. GRIMSLEY

Of Griffin, Ga., Elected by the Board of Directors of Chamber of Commerce as Secretary of That Organization and Will Take Charge of Affairs Next Monday.

At a meeting of the directors of the Chamber of Commerce, held in the office of the Secretary-Manager on Tuesday morning, the Chamber of Commerce decided upon and employed Mr. Harry C. Grimsley of Griffin, Georgia, as secretary-manager of the local organization to succeed Mr. Thomas P. Boone, who will leave shortly to take the Secretaryship of the Henderson Chamber of Commerce, Henderson, Kentucky.

The Chamber of Commerce directors have given considerable time and thought to the selection of the secretary for the ensuing year and their selection made yesterday is the result of several meetings and consultations with various applicants for the position. Their selection of Mr. Grimsley was made after a most thorough investigation as to his experience and ability in commercial organization work.

Mr. Grimsley comes to Maysville from Portland, Indiana, where his work was of such a nature as to make the directors of the Maysville Chamber of Commerce feel confident of his ability to conduct the affairs of the organization in a successful manner. The new Secretary has had three and one half years of active experience in this line of work and is thoroughly acquainted with commercial organization administration and is more or less of an expert in solving civic problems. Before going to Portland Mr. Grimsley was with the Griffin, Georgia, Board of Trade and also the Retail Merchants' Association of that city where his work was very successful.

During this week Mr. Grimsley will be in consultation with Mr. Boone, the present incumbent, and thoroughly acquaint himself with the individual details and affairs of the Chamber of Commerce. Mr. Boone will leave the first of next week and on Monday, January 22, Mr. Grimsley will assume charge of the Chamber of Commerce office.

We do not in the least doubt that Mr. Grimsley will make a very efficient and popular secretary of the local Chamber of Commerce, as his record in other cities has shown him to be very successful. We certainly wish him the best of success in his new position and will be willing to aid in any way whenever possible.

Mr. Boone, although in this city only about fourteen months, will leave a large number of friends and all of whom will wish him prosperity in his new surroundings. Mr. Boone was always a pleasant gentleman and always was willing and ready to do all in his power to help Maysville.

Now that the election is over the Chamber of Commerce will actively take up the work for the ensuing year. A schedule will be compiled by the Board of Directors with the suggestions of the membership of the organization and the citizens of Maysville. Get behind the new secretary and boost. Do it for Maysville.

PLACED EMBARGO

The Chesapeake and Ohio Railway has placed an embargo on all west-bound dead freight loading via all connecting lines and gateways, including the Chesapeake and Ohio of Indiana, except Cincinnati switching territory, public utilities corporations and public institutions.

The Chesapeake and Ohio has called in its passes given officials of foreign lines which read "Not good intrastate in Kentucky." The new passes will be without this line, as it is understood the framers of the anti-pass law in Kentucky had no intention of restricting railroad officials of foreign lines in pass privileges.

MAKES APPEAL TO HIGHER COURT

An appeal for trial in the Mason Circuit Court was filed with Circuit Clerk James B. Key yesterday, in which Arthur Adkins of Covington asked that the judgment of the lower court against him be set aside. Adkins was fined \$25 and costs before Squire Bauer several weeks ago on a charge of unlawfully seining in the Ohio River.

Miss Pattie Hunter of Washington, who has been very ill for the past few months, writes to friends in this city from Millersburg where she is spending the winter, that she is improving and hopes to soon be restored to her usual health.

Mrs. S. Arn is in Cincinnati today attending Gages' Spring Opening at the Binton Hotel.

DEFICIT DUE TO DEMOCRATIC TARIFF

Imports for the month of November were valued at \$177,000,000 paying customs revenue of \$16,851,258, or an average rate of duty of 9.5 per cent, compared with an average rate of duty under Republican law in the neighborhood of 20 per cent. Of these imports, the groups "manufactures for further use in manufacturing" and "manufactures ready for consumption" totaled \$57,000,000, or \$7,000,000 greater than for the same month, 1915, and but \$2,000,000 less than for 1913, the first two months under the Wilson-Underwood law, in spite of the fact that three of our great trade competitors are practically eliminated—Germany, Austria, and Belgium. The total imports for November, 1912, under the Republican tariff law were valued at \$153,000,000, and they paid customs revenue in the sum of \$25,666,353. In other words, \$24,000,000 less imports paid nearly \$9,000,000 more revenue. Is it any wonder that the Democrats are being driven from their tariff-for-less-than-revenue stronghold?

HE DOES NOT UNDERSTAND

Mr. Wilson does not understand that the Allies are fighting mad, in that nobler sense which raises the man above the brute. He has no power to come between the belligerents, either moral or physical. He ought to see, indeed he must, that a peace granted with Germany as the victor would not only be inconclusive but intolerable; and would violate the rights of neutrals far more than anything which has occurred in the progress of the present deplorable war. Mr. Wilson has not done the right thing at the wrong time. He has done the wrong thing at the time when it can bring the country he represents illimitable disaster.—Wall Street Journal.

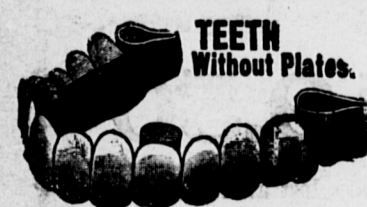

TWO MILITARY PROBLEMS

Some fine day it is going to occur to Americans that universal military training is the only Democratic system. The job down on the Mexican frontier—whatever that job was—was the nation's job. It certainly wasn't the job of a comparatively few young men who had enlisted in the militia and who were unexpectedly taken away from their business or their studies and sent to do police duty on the Rio Grande.

Isn't it good common sense that every young man who grows into citizenship in this great Republic should have training so that he can help defend his country if that should ever become necessary? Isn't that the Democratic way?—Kansas City Times.

Mr. Bryan's Commoner prints several columns of "Generous Expressions from Friends" about his part in the recent election, among them letters from president, senators, congressmen and governors, but not a word from any Democratic senator, congressman or governor elected in his home state of Nebraska. Silence is sometimes significant!—Omaha Bee.

U. S.-MEXICAN BODY DISSOLVED—WITHDRAWAL OF U. S. TROOPS RECOMMENDED BY AMERICAN MEMBERS

New York, January 15—The Mexican-American Joint Commission, which failed to effect an adjustment of the question at issue between Mexico and the United States after a series of conferences that began four months ago, was formally dissolved late today.

Secretary of Interior Lane and the other members of the American Commission, Dr. J. R. Mott and Judge George Gray, told the Mexicans that they had recommended to President Wilson the dispatch to Mexico of Ambassador Fletcher and the withdrawal of the American troops from Chihuahua.

Problem Reverts to Wilson

The Americans impressed upon the Mexicans that with the dissolution of the commission the Mexican problem reverts to President Wilson. They were careful not to leave in the minds of the Mexicans the conviction that President Wilson would accept the recommendation that an accredited diplomat be sent to Mexico and that General Pershing's force be withdrawn, but the intimation that he would do so was conveyed.

In spite of the Americans' care, however, the Mexicans had little doubt tonight that full diplomatic relations between the two Governments soon would be re-established and that unless unexpected complications arise American troops will be removed from Mexican territory within a few days. The probability of such action was included in the report of the last meeting, which was telegraphed to General Carranza at Queretaro.

Luis Cabrera, chairman of the Mexican commission, and Ignacio Bonillas and Alberto J. Pani, the other members, said they expected to leave within a week or ten days for Mexico. Notwithstanding the dissolution of the commission they expressed themselves as pleased with the withdrawal of the American troops, the main object of Carranza in sending them here would be achieved.

Continuance Useless

Twice General Carranza has refused to ratify the protocol signed at Atlantic City, N. J., in which conditions for the withdrawal of troops had been made, and that refusal the Americans construed as indicative of what might be expected if the conferences were continued.

The Mexicans expressed regret that the conferences had been brought to an end, but they, too, admitted that a further discussion appeared useless and no effort was made to have them prolonged.

It was intimated to the Mexicans that when General Pershing's troops are taken out of Mexico it would be when it appeared evident that bandits were not menacing the northern border of Chihuahua, the essential condition in the protocol Carranza refused to ratify.

The American commissioners declared they did not regard the work of the commission as a failure, since a clearer understanding of conditions affecting both Governments had been reached.

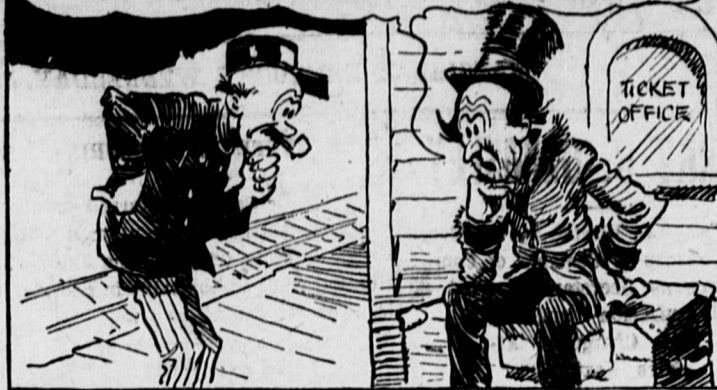

MAY HAVE BEEN DEUTSCHLAND

New York, January 15—News that an unidentified submarine was moving westward in the Atlantic, as late as last Thursday morning, was brought to port here today by the British freight steamship Clematis, in from Bordeaux, France. The stranger made no move to attack the Clematis, which was at the time approximately 100 miles east of Newport, R. I.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years doctors pronounced it to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Publicity is the only force adequate to cope with this situation. It's the only way to place this natural, drugless system of restoring health before the public, so that the people may test its merits for themselves.

London, January 15—The printing plant and the headquarters of the Women's Social and Political Union, as well as the homes of several of Mrs. Pankhurst's lieutenants, in widely-separated sections of London, were simultaneously raided yesterday by the police and military authorities, acting under the Defense of the Realm act. The suffrage publication, *Britannia*, and two taxicabs full of documents were confiscated. The *Britannia* has been criticizing the government, protesting that there were in reality two governments, one of Premier Lloyd George and the people who wanted to win the war, and the other a remnant of the late government, which favored a peace compromise.

In many a home the keystone of the family's health is a daily ration of the splendid whole wheat and barley food---

Grape-Nuts is usually eaten with cream or milk, and the flavor is wonderfully delicious. It also combines in numerous attractive, special dishes.

"There's a Reason"**MANN ACT IS INTERPRETED—PRIVATE ESCAPADES AS WELL AS "TRAFFIC" ILLEGAL, HOLDS SUPREME COURT**

Washington, January 15—The Federal white slave law as was construed by the Supreme Court today to prohibit interstate transportation of women for any immoral purpose, including private escapades as well as commercialized vice.

In three test cases the court, in a divided opinion, affirmed convictions of F. Drew Caminetti and Maury I. Diggs, of Sacramento, Cal., and L. T. Hays, of Alva, Okla. Their imprisonment sentences and fines will become effective within thirty days.

The court divided five to three in broadly interpreting the law, enacted in 1910. Chief Justice White and Justices McKenna and Clarke, in a minority opinion, held that Congress intended to have the law apply only to actual "traffic" in women and not to personal immoralities. Justice McReynolds, who was attorney general during prosecution of Caminetti and Diggs, took no part in the cases.

The majority opinion, given by Justice Day, held that while Congress may have intended the law to prohibit only traffic in women for pecuniary gain, its plain terms include interdiction of their transportation "for any other immoral purposes."

It was not so intended, the majority said it was Congress' function—not the court's—to amend the law.

Wider scope in enforcing the law, now is open to the Department of Justice which contended for the broader interpretation. The ruling affects many pending cases, including that of Jack Johnson, the negro pugilist, who is a fugitive from justice.

Whether the law makes "accomplices" of women involved in personal escapades was not definitely decided by the court, but their testimony against men indicted was upheld as permissible.

In the test cases, Caminetti was sentenced to eighteen months' imprisonment and fined \$1,500; Diggs, to two years and a \$2,000 fine, and Hays to eighteen months in prison. These sentences will go into operation when the court's mandate is issued, under the rules within thirty days unless earlier action is requested by the Department of Justice and assented to by the court.

"WE NEED SIXTY MORE DIVISIONS IN THE WEST"

London, January 15—The Times military critic contends that the prolongation of the war "as the result of the foredoomed failure of the peace move" throws upon all the Allies the duty of making greater efforts in order to deserve victory. He says that Germany did not wait for a reply to her peace offer, but initiated measures a month ago to expand her supply of men and munitions.

"We need another sixty divisions in the west," he says. "The necessary men exist and there is every probability that their appearance in the field will decide the war. We ought to see clearly enough now that our efforts on land, especially on the western front, have not been adequate to gain a decision or even to deserve it. The truth of the situation in the west is that Germany has 128 divisions opposed to us and that the number of French, British and Belgian divisions is not yet such as to promise a decision in an offensive war."

"I must repeat again and again," he writes, "that we have nothing like this superiority and that victory depends on obtaining it."

BECKHAM WILL SPEAK FOR DRYS

Washington, January 15—Senator J. C. W. Beckham of Kentucky will make the opening speech for the 'drys' in Ohio at Columbus Tuesday night. The National Anti-Saloon league announces also that W. J. Bryan would speak in Columbus Wednesday night. Senator Harding has declared again that the question of prohibition should be settled without "party complications."

SLIPPED DEEPER INTO SAND

Eureka, Cal., January 15—The hull of the cruiser Milwaukee, which went aground Saturday and from which all hands were safely brought ashore, was digging itself deeper into the sand today. Experts who have surveyed the wreck declare her a hopeless wreck. Admiral William B. Caperton, in command of the Pacific fleet, is expected to arrive tomorrow on the ship *San Diego* and take charge of the situation.

BACKING UP PROOF**The Kind That Maysville People Can't Deny.**

Many an earnest Maysville man or woman has publicly endorsed Doan's Kidney Pills.

Week after week, month after month you've read their statements.

Would these Maysville people recommend any medicine if it were not good?

Would they confirm and repeat their statements after years had passed?

Local proof is good evidence.

Testimony confirmed years after is better evidence.

The following Maysville man's statement leaves no room for doubt.

It must convince every kidney sufferer who reads it.

If your back aches—if your kidneys are weak, profit by Mr. Sorries' experience.

A. Sorries, lock and gun-smith, W. Second and Wall Sts., Maysville, gave the following statement in January, 1912: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had back-aches and when I stooped over, I had trouble in straightening up. Colds settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."

A PERMANENT CURE.

On November 14, 1916, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today, as when I gave my former endorsement. I haven't had any trouble with my kidneys in that time and I believe the cure they gave me will be permanent."

Mr. Sorries is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Sorries has twice publicly recommended—the remedy backed by home testimony. 50c all stores. A GRADUATE NURSE**Why She Recommends Lydia E. Pinkham's Vegetable Compound.**

Chicago, Ill.—"I was in poor health for two years, caused by a displacement, and during six months of this time was under a doctor's care without getting any help."

I decided to try Lydia E. Pinkham's Vegetable Compound and it made me feel like a new woman. I am entirely relieved of the displacement and periodic pains, and am now the mother of a beautiful healthy baby. I am a graduate nurse and will be glad to recommend Lydia E. Pinkham's Vegetable Compound to other women."

—Mrs. R. W. SLOAN, 6026 So. Park Avenue, Chicago, Ill.

There are many women who suffer as Mrs. Sloan did and who are being benefited by this great medicine every day. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

THE UNIVERSAL CAR**Announcement**

The company is many thousands of cars behind their orders. The railroads are unable to deliver rapidly enough on account of shortage of freight cars. On account of these conditions, which are the worst I have ever had to contend with since being in the automobile business, the company will not ship cars to a dealer unless he has orders for the cars signed by customers who are waiting for cars.

The tremendous demand will continue throughout the winter in the south and southwest, and the shortage in this part of the country in the spring will be the greatest ever known.

I have already sold and delivered one-half of all the cars I contracted for the 1917 season. I have orders on file for 25% of all the cars the company will ship me between now and August 1st. The man who waits till spring to place his order for a Ford will not get his car till mid-summer or next fall. Therefore, if you want a Ford car this year, place your order now and take the car as soon as I can deliver. Don't wait.

A Suggestion**Tobacco Growers**

Nothing, in our opinion, is so liable to seriously effect the present satisfactory prices of Tobacco as the over-crowding of the market.

Our advice to you is, bring each wagon load to market just as soon as you get it ready. Don't delay until you get your whole crop, or the most of it stripped. To do so will be a mistake.

A steady market is always better than a glutted one. Don't get too much here at once. As our house is the largest, we are helped most by a rush; but, we know that what is not good for you is not, in the long run, good for us.

We Are For What Helps Everybody Most

That is the reason we so carefully sort and handle each crop of Tobacco before offering it for sale.

MISS CASEY RESIGNS

As Superintendent of the Hayswood Hospital, Same Taking Effect Last Night—Mason County Health League Also Severs Connection With That Institution.

Miss Annie M. Casey resigned her position as superintendent of the Hayswood Hospital last night, the resignation taking effect immediately. Her resignation came as a great surprise to the officials of the hospital. In addition to the resignation of Miss Casey the Mason County Health League severed all connections with the hospital on yesterday and will hereafter work as an independent organization entirely. The affairs of the hospital are now in the hands of the old trustees and what disposition they will make of matter could not be learned this morning.

Miss Casey will take up her former work, that of the Health League nurse. She is very familiar with this and has always been a very successful visiting nurse.

The cause of the resignation of Miss Casey and the withdrawal of the Health League could not be learned by our representative.

Cleveland, Ohio, January 16—Representative Adamson's absolute eight-hour bill will be actively opposed by the four brotherhoods of railroad employees, it was announced today. President William G. NO SALES YESTERDAY

In order to give the redrying plants the chance to catch up there were no sales on the local market yesterday. The day off came at a very opportune time as the heavy snows of the past few days would have blocked off any tobacco from coming in. Sales were resumed this morning.

A report from the Hospital this morning was to the effect that Mr. Lee Dinger, who has been ill with pneumonia for some time, passed a very restful night.

Two American express companies have recently opened offices in Hong Kong. There is considerable parcel post business between that part of the world and the United States.

Mr. John Crane, who has been seriously ill at his home on Fifth street, is reported as showing no improvement.

LEAK PROBE

Broadens Into a General Market Inquiry—Morgan and Other Powers of Wall Street Will Be Called Before Congress—Lawson Temporarily Dismissed.

Washington, January 16—Spreading a drag net over the financial district of New York, the House Rules Committee today extended the peace note leak investigation to a general inquiry into the stock market. At an executive session the committee considered the advisability of employing expert counsel familiar with financial affairs to conduct the examination of witnesses. It was also planned to ask Congress tomorrow for an extension of time to report.

As the first step in enlarging the scope of the hearings, the committee subpoenaed J. P. Morgan, H. P. Davidson, F. A. Vanderlip, Arthur Lipper, Sol C. Weizer and J. S. Bache, New York financiers.

Vying in interest with the summoning of the financiers was the disappearance of Mrs. Ruth Thomson Visconti, who said Thomas W. Lawson told him Secretary Tumulty "and others" had profited in the stock market by the leak and that William W. Price, one of the White House correspondents had acted as the "go-between" in the affair and received \$5,000 for his work. Sergeant-at-Arms Gordon and several assistants tried in vain to find Mrs. Visconti. Mr. Lawson expressed great surprise at her disappearance.

Woman Reappears
Mrs. Visconti surprised the searchers tonight by reappearing at the apartment house, in which she lived and which had been under surveillance since last night. A deputy sergeant-at-arms promptly served a subpoena directing her to appear before the committee tomorrow morning. She promised to be there, and the officer left her in the apartment.

Lawson, whose sensational testimony yesterday aroused the committee to go to the depth of the leak rumors, occupied the witness stand today, reviewing and supplementing his statements.

At the outset Lawson attacked Representative Henry's denial of his testimony and emphatically declared that he or Henry was guilty of rank perjury. In a characteristic outburst, Lawson shouted his reiteration that he had told the truth.

"When there is a direct difference of opinion—stronger than a question of veracity—" said Lawson, "it is perfectly obvious that one or the other of us in committing perjury—deliberate, rank perjury. Unless your chairman said the things that I have said he did, I am guilty of foul perjury and I am unfit to be here, or anywhere else outside the bars of a jail."

Elaborates on Story
Lawson again brought the names of Secretary Lansing, Count von Bernstorff and Bernard Baruch into his testimony as the men Chairman Henry told him he had heard "leak" rumors about, and elaborated on his story told yesterday regarding Henry's alleged statements concerning them.

In that connection in answer to inquiries by Representative Garrett as to what Henry told him about "a cabinet member, a member of Congress and a banker," Lawson said he never had asserted that Henry had told him anything about Secretary McAdoo, the mysterious "Senator O" and H. Pliny Fisk. The cabinet member Henry spoke of, Lawson said, was Mr. Lansing and the banker, Mr. Baruch. The fact that Baruch is a speculator and investor and not a banker had led to a misunderstanding in the committee regarding Lawson's previous testimony. Information, Mr. Lawson said, which he received in regard to McAdoo, Fisk and "Senator O" came from another source which he did not reveal.

WOULD SAVE RAILWAY

Columbus, Ohio, January 15—Complaint by the city of Georgetown, in Brown county, was filed with the Utilities Commission today against Henry R. Fishel and J. D. Marks, doing business as Fishel & Marks, to prevent tearing up the Ohio River and Columbus Railway and selling it for junk. The city bonded itself in 1879 for many thousands of dollars to get the road and the business people do not want it torn out. The high price for junk, it is claimed, is inducing owners of poor lines to give up their operation and sell the stuff in the market. Hearing is set for January 26.

ADMIRAL DEWEY

Hero of Manila Bay Dies at His Home in Washington Followed By An Illness Due to Old Age.

Washington, January 16—Admiral George Dewey, the nation's Spanish war hero, and by priority of grade, the ranking naval officer of the world, died at his home here tonight in his 80th year. He had not been conscious since yesterday, when he lapsed into coma still believing that in a few days he would be back at his desk in the navy department.

A general breakdown, accompanied by arterio-sclerosis incident to old age, was the cause of his death. The disease had been gradually spreading its hold upon the powerful body for a year and a half, but the admiral, proud of his physical vigor, had fought it off and even kept its existence a secret from most of his intimate friends. Last Wednesday he was at his office apparently hale and hearty. The next day he collapsed as he was preparing to leave the house, and the beginning of the end was at hand.

Wife, Son at Bedside

Mrs. Dewey and the admiral's son, George, were at the bedside tonight. They had known since yesterday there was no hope. The admiral died at 5:56 p. m. President Wilson and Secretary Daniels were notified at once and the news was flashed to American naval vessels and nations all over the world. The message carried orders that all flags be half-masted.

The President will confer tomorrow with Secretary Daniels and Rear Admiral Badger and arrange for the funeral, which probably will take place Saturday. The body will be buried in Arlington National cemetery, on the Virginia shore of the Potomac river, where many of Admiral Dewey's former comrades have been laid to rest before him.

OUR COLORED CITIZENS

Mr. James Lane, age 74, died at 8:30 o'clock last night at the home of his daughter, Maria Lane, in Grave Alley. The funeral will be held at Washington, Ky., Thursday evening at 2 o'clock. Burial in the Washington Cemetery.
